Department Secretary
Francine Larger

Faculty

Instructor
Linda Galloway (Interim Coordinator)

Lecturer / Advisor
Kimberly Welch

School of Arts & Letters,
Humanities & Social Sciences Division

Dean
Dr. Donald Hinton

Associate Dean
Addison Everett

Program Description

The English for Speakers of Other Languages program serves the needs of both international and residential students for whom English is not a native language. The program is divided into four levels:

• Introductory
• Basic
• Intermediate
• Advanced

Students enter the program at the level indicated by their prerequisite test scores. Students earn college-level (1000 and 2000) credit for some classes in the Intermediate and Advanced levels.

The DSC ESOL program focuses on five skills areas students need to be successful students at an English-speaking college:

• Academic Communication
• Conversation
• Reading
• Writing
• Grammar

After successfully completing the ESOL program, English Language Learners should be able to function communicatively as members of the Dixie State College community according to these Student Learning Outcomes:

1. In reading, students will be able to comprehend most standard written English and have strategies for comprehending what is not immediately understood.
2. In listening comprehension, students will understand standard English spoken in and out of the classroom and to have strategies for effective note-taking for specific academic material.
3. In speaking, students will be able to appropriately respond orally to the demands of college life and college-level classes, including giving classroom responses, speeches and presentations.
4. In writing, students will be able to produce appropriately clear and coherent responses to in-class or extended assignments.
5. In grammar, students will be able to produce grammatically accurate responses to academic, professional and everyday situations.

The DSC ESOL Program is a lively and diverse group of students and faculty. Small classes and personal attention enhance student learning. We look forward to meeting you and helping you achieve your educational goals!
