ALUMNI ASSOCIATION

Location: Stephen and Marcia Wade Alumni House
Director: Kalynn Larson
Email: larson@dixie.edu
Phone: (435) 652-7535
Website: http://www.dixie.edu/alumni/alumniandfriends/index.php

The Alumni Association of Dixie State College is an extraordinary group of 30,000 individuals across the United States and in Japan. Everyone who has attended Dixie State is a member of the alumni association whether or not they graduated from DSC. There are no membership fees or dues charged to belong to the association.

The Dixie State Alumni Association exists to preserve and promote the “Dixie Spirit” throughout the community and the world. This is done through chapters in various parts of the country where all alumni are invited to meet together to be updated about what is happening at the college, renew their Dixie Spirit and network with other alumni in a particular area.

Homecoming and D-Week are filled with traditions that have existed for many years and as we near the celebration of our 100 years as an institution we hope these traditions will continue for the next 100 years.

The Alumni Office is located in the Stephen and Marcia Wade Alumni House at 684 E. 500 S. across the street from Hansen Stadium. The Alumni House is also the home of the Student Alumni Association (SAA). The purpose of the Dixie State College SAA is to assist in creating true relations between the students and alumni. This is accomplished through projects in order to help foster these relationships. The SAA is a council of students who work in conjunction with the Alumni Board to promote the Dixie Spirit, keep traditions alive, and promote the college.

BOOKSTORE

Location: Gardner Center (2nd Floor)
Director: Randy Judd, Executive Director Auxiliary Services
Phone: (435) 652-7644
Website: http://bookstore.dixie.edu

The Dixie State College Bookstore is a convenient student source for textbooks, general books, educational supplies, and a wide variety of calculators, office, and school and art supplies. The bookstore is the only source for official DSC Red Storm clothing. The Computer Department offers educational discounts on software and computer supplies. Great savings are available for students on APPLE Computer products as the bookstore is an Approved APPLE Campus Store. This modern 8,000 square foot retail store is located on the 2nd floor of the Kenneth N. Gardner Student Center.

CAMPUS COMPUTING LABS

Location: Smith Computer Center
Administrator: Gene Mosteller
Email: gmos@dixie.edu
Phone: (435) 652-7947

There are two major computer labs on the DSC campus: the Smith Computer Center and the Library Computer Lab, and smaller computer labs in other buildings. Students log in to computers in all labs using their student Dixie ID accounts (same ID and PIN as Dmail).

The Smith Computer Center is the largest computer lab on campus with a 153 computer stations available for students use. As of Fall 2010, all computers in this lab run the Windows 7 operating system. Also within this lab is the Testing Center for the CIS courses taught on campus and there are 21 computer stations within that area of the lab. The Lab is staffed with a Lab Assistant and at varying time and at various times of the day CIS faculty also assist students. The Smith Computer Center also has three computer classrooms just off the main lab area. These classrooms all have 26 computer stations available for classes and/or student use when not scheduled with classes.

During Fall and Spring Semester, the Smith Computer Center hours are:

- Monday – Thursday 7:00 a.m. – 11:00 p.m.
- Friday 7:00 a.m. – 6:00 p.m.
- Saturday 9:00 a.m. – 5:00 p.m.

Hours during Summer Semester and between semesters differ.

The Browning Library Computer Lab is located in the basement. It contains 43 computer work stations with a Lab Assistant available during most hours of operation.
During Fall and Spring Semester, the Smith Computer Center hours are:

- Monday – Thursday: 8:00 a.m. – 11:00 p.m.
- Friday: 7:00 a.m. – 6:00 p.m.
- Sunday: 3:30 p.m. – 9:00 p.m.

Hours during Summer Semester and between semesters differ.

**CAMPUS RECREATION**

Location: Eccles Fitness Center, Student Activity Center  
Director: Christian Hildebrandt  
Email: hilde_c@dixie.edu  
Phone: (435) 652-7989  
Website: [http://www.dixie.edu/rec](http://www.dixie.edu/rec)

Dixie State College has a very active Campus Recreation program with over 4,000 students participating. Campus recreation provides five areas of emphasis on campus to meet student’s recreational needs. These areas are Fitness Center, Intramural Sports program, Outdoor Recreation, The Student Activity Center, and Aquatics. Each of these areas offers opportunities and activities for students to either participate or get involved in some way in campus life. There are also outdoor basketball hoops, open field space, and tennis courts for student’s impromptu use. Employment opportunities are also available for students in campus recreation.

**Fitness Center**

The Fitness Center is geared toward the students of Dixie State. The Fitness Center offers students the opportunity to increase their cardiovascular fitness, flexibility and strength by using the latest state-of-the-art Cybex machines, treadmills, elliptical machines, bikes, and free weights. Semester memberships are available or students can also enroll in PEHR 1088 to receive credit for working out.

**Intramurals**

The Intramural Sports program offers a wide variety of individual, dual, and team sport activities. Intramural leagues and tournaments are open to every current DSC student or faculty/staff member. There are multiple skill levels, so if you are a first time player looking to learn a sport or a former high school athlete looking to stay physically active and competitive, we have programming for you! Stop by the Intramural office located in the Southeast corner of the Student Activity Center (SAC) to learn more or visit our website at [http://www.dixie.edu/intramurals](http://www.dixie.edu/intramurals) or call at (435) 879-4263.

**Outdoor Recreation**

The Outdoor Recreation & Adventure Center (ORAC) provides Dixie College with a variety of activities ranging from hiking, rock climbing, to even mountain biking. The ORAC provides 6-8 outdoor adventures for students, faculty, staff, and even the public per semester. These outings allow individuals to experience the splendor and glory of Southern Utah with the assurance of safety through guided exploration. The ORAC also provides equipment rentals, which can either outfit one for their own adventure, or provide missing articles to complete one’s own equipment supply. For any questions check out our website at [http://www.dixie.edu/odr](http://www.dixie.edu/odr) or contact us at (435) 652-7986.

**Student Activity Center**

The Student Activity Center (SAC), located in the Old Gym, is the hub of campus life and a central location for a variety of campus services. We provide an inviting, accessible facility designed primarily for our students, and visitors to enjoy the wide variety of activities from ping-pong to pool and volleyball to basketball and a array of other fun activities. We also have a variety of lounges with large screen TVs, excellent study areas with soft furniture, and wireless Internet connectivity for DSC students. The Student Activity Center also houses the college’s Intramural and Outdoor Recreation programs. Stop by and enjoy all that the Student Activity Center has to offer.

**Aquatics**

The Dixie State College Pool, located just north of Hansen Stadium, is part of the Fitness Center facilities. The pool is a full-functioning aquatics center, providing students the opportunity to enjoy and recreate in a 6-lane 25-yard length pool, with a spectacular view overlooking the football stadium. Students are able to obtain an aquatic membership by semester or enroll in any of the aquatics courses offered. Activities provided are lap swim, open swim time, water aerobics, intramural activities, Triathlon training clinics, pool rentals, etc. Courses taught in the pool are Beginning and Intermediate Swimming, Beginning and Intermediate Water Aerobics, SCUBA, and Lifeguarding.

**CAREER CENTER**

Location: Career & Financial Aid Bldg.  
Director: Kathy Kinney  
Phone: (435) 652-7737  
Email: kinney@dixie.edu  
Website: [http://www.dixie.edu/career/](http://www.dixie.edu/career/)
The Career Center provides up-to-date resources and services to help make the difficult decisions of choosing a major and a career. The services are free and available to students and to the community. The Career Center offers a variety of career exploration materials and has a library of books and resources for effective job-hunting. Career advising, career assessments, resume review and mock interviews are also available. The Career Center hosts the annual campus Career Day and the Employment Fair.

Student Employment

Many students work part-time or full-time while attending college. The Career Center offers various forms of assistance to students seeking employment. Current job openings are available on the job board and on the internet. Career advising, career assessments and labor market information is available to help individuals decide on specific occupations.

Employers may use the Career Center to post jobs, to recruit on-campus, to access interview rooms, and to attend the annual Employment Fair.

COOPERATIVE EDUCATION

Location: Career & Financial Aid Bldg.
Director: Karl Hutchings Jr.
Email: butching@dixie.edu
Phone: (435) 652-7668

Cooperative Education relates the classroom to the employment community. Those with a designated major and a vocational or career interest may be encouraged to locate employment that relates to classroom studies. If a student has approved employment, they may be eligible for academic credit based upon the completion of structured learning objectives. Cooperative Education is available in most majors and areas of study, but is also available for students who are uncertain about their major and who want to explore their options. Permission must be obtained from the director of cooperative education before registration.

General Cooperative Education (Coop 1800, 1810, 1820, 1.0-3.0 Cr) is open to all students who are working but undecided in a major and or want to explore different types of work and receive on the job training. Eagerness, dependability, willingness, attitude, and human relation goals will be set along with other skills that would transfer to most any career or field of work. Students in all Co-op classes meet with the instructor and employer at the beginning of the course to determine objectives, number of credits hours, hours to work, and to sign a work agreement form.

DISABILITY RESOURCE CENTER

Location: Career & Financial Aid Bldg. (lower level, next to Testing Center)
Email: drc@dixie.edu
Phone: (435) 652-7880
Web: www.dixie.edu/drcenter

The Disability Resource Center (DRC) provides accommodations for students with disabilities who need assistance with educational, physical and/or program accommodations while pursuing their education. Students are encouraged to complete an application for the DRC and provide qualified medical and/or psychological documentation of their disabilities. Services are designed to accommodate the limitations of the disability and are approved on an individual basis, as well as reevaluated each semester. DRC is also available for consultation and assistance to faculty and staff. Please refer to our website for complete information about services and procedures: http://www.dixie.edu/drcenter/.

FIRST YEAR EXPERIENCE (FYE)

Coordinator: Sarah Black
Office: 121 Science Bldg.
Email: smblack@dixie.edu
Phone: (435) 652-7759

See your Academic Advisor to learn more about FYE. The First Year Experience Program (FYE) consists of a selection of courses designed for incoming freshmen students. All degree-seeking students who come to Dixie State College are strongly encouraged to take one of these courses during their first year of college.

Three types of FYE courses are available – discipline-specific courses, open major courses, and courses for specific groups. Discipline-specific courses are taught by many departments across campus, and are intended for students who know what area of education they would like to pursue, as well as those who are leaning towards an area and would like to find out more about it. Open major courses are intended for students who haven't yet formed an educational goal. There are also courses (or sections) specifically designed for international students, student athletes, and students in the TRiO program. All FYE courses are one credit hour, which will count toward electives needed for graduation.

If all sections of the FYE course a student desires to take are full, he or she has the options of choosing another FYE course or waiting until the
spring, when most courses will be offered again. Students who plan to attend school for only one semester before going on entering church service, military service, or the Peace Corp are advised to take an FYE course after they return and are ready to fully enter into their educational journey.

The purpose of the First Year Experience Program is to increase student retention and success. Many other colleges across the nation have found that having an FYE course is of great benefit to students, and Dixie State College wants to offer that benefit to our students as well. In addition to choosing or finding out about a major, the course covers topics in getting to know Dixie State College, dealing with the challenges of student life, and critical skills needed for academic success.

As coordinator of the First Year Experience Program, I invite all incoming freshmen to register for an FYE course and take full advantage of this opportunity to get your college career off to a running start. Many students struggle with the transition from high school or the job world to college, and this class can help you to make that transition successfully. If you go into it with a good attitude, ready to learn, attend class, and do the assignments you are asked to do, you'll come out with the information, skills, and connections you need to succeed in college. If a student changes his or her major, the FYE course does not have to be repeated.

Research has shown that students who participate in an FYE course perform better in college and have a higher rate of persistence toward graduation. Some of the things you can expect to do in an FYE course are:

- find out about a major will help you know what to look for in other majors if you change your mind
- adapt to college life
- become integrated into DSC
- refine academic skills
- create and foster social networks
- learn about college resources
- explore fields of study, degree options, and career opportunities
- provide you with the resources you need to succeed in your college career
- develop a degree plan

**FYE Curriculum**

1. Finding or finding out about a major or area of interest, including the value of education, General Education, degree and career options, graduation plan, and discipline-specific topics.
2. Getting to know Dixie State College: campus locations, student government, campus resources, campus procedures, student rights and responsibilities, co-curricular activities, Service Learning, dropping classes, and final exams.
3. College Life: transition to college life, campus safety, time management, health and wellness, dealing with stress, handling finances, diversity, networking, and staying motivated.
4. Academic Success: deciphering a syllabus, how to read a textbook, how to talk to your professors, note-taking skills, effective studying, test-taking strategies, academic honesty, critical thinking, learning styles, and college writing.

Coordinator: Barbara Johnson
Hours: Monday – Friday 9:00 a.m. – 4:00 p.m.
Email: johnsn_b@dixie.edu
Phone: (435) 652-7755
Website: [http://www.dixie.edu/wellness/](http://www.dixie.edu/wellness/)

**Mission Statement**

The Dixie State College of Utah Health & Wellness Center Mission is to enhance the health and well-being of students, faculty, and staff. We strive to provide confidential and accessible assistance to those who seek help; and this is achieved by utilizing specific areas of health development: Physical, Emotional, and Intellectual.

**Location**

Enter at the northeast corner door in the back of the Student Activities Center (Gymnasium), and turn to your right (room 110).

**For Students**

For students who do not have health care insurance, we offer vouchers to InstaCare allowing a student to be seen by a doctor. For students who find themselves with a mental health need, we refer those students to a counselor at either Kolob Counseling or Counseling Services of Southern Utah.

**Alcohol, Tobacco, & Other Drugs**

The Alcohol, Tobacco, and Other Drug policy can be found on the Health & Wellness website. It is recommended that all students read this policy. For those students who find themselves being cited for the use of any of the above there are education sessions taught at the Health & Wellness Center.

### HOUSING AND RESIDENT LIFE

Director: Seth Gubler
Office Hours: 8:00 a.m. – 5:00 p.m., Monday – Friday
Email: housing@dixie.edu
Phone: (435) 652-7570
Website: [http://www.dixie.edu/housing/](http://www.dixie.edu/housing/)
Dixie State College offers on-campus housing facilities to meet the needs of both single students and students with families. To be eligible for on-campus Student Housing, students must be enrolled in at least nine (9) credit hours. Applications can be found online at www.dixie.edu/housing.

Single Student Housing at Dixie State College provides suite-style and apartment-style resident living units. Single Student Housing facilities are close to most classes, have live-in student staff members, and are monitored by Dixie State College’s Campus Security Department. Student staff members serve residents as referral agents to Campus resources, mediators in resolving conflicts, and friends as they build rapport with residents and facilitate an array of social and educational programs. The Housing and Resident Life Office endeavors to provide a safe, fun, and educational environment conducive to student success.

Family Student Housing at Dixie State College is available to married couples (with or without children) and single parents with children. Family Student Housing’s Abby Apartments feature three bedrooms, one bathroom, and on-site laundry facilities. Family Student Housing’s Dixie View Apartments have three bedrooms, one-and-a-half bathrooms, and washer and dryer hook-ups. Campus Security personnel monitor the Family Student Housing areas, and a Resident Manager works closely with residents to address facility issues and other concerns germane to family community living. Residents of Family Student Housing enjoy a safe and clean family living environment.

For further information (e.g., rates, deadlines, rules and regulations, etc.) regarding on-campus Student Housing at Dixie State College, please contact the Housing and Resident Life Office at (435) 652-7570, or go online to www.dixie.edu/housing.

Dixie State College of Utah has been a member of the National Collegiate Athletic Association (NCAA) Division II since the 2006 transition from junior college competition. DSC is a member of the Paciﬁc West Athletic Conference in all sports except Football, which is a member of the Great Northwest Athletic Conference. Each year 280–300 students participate in Intercollegiate Athletics, and many more get involved through attendance at games, matches, and other events.

Since the transition to D-II, DSC has had much success in a short time. The Women’s Soccer and Men’s Basketball teams won 2009–2010 conference championships in their respective sports and competed in their ﬁrst post season event. In 2009 the Softball team made it to the NCAA National Championships and finished in sixth place, and the Men’s Golf program finished 13th at their National Tournament.

Facilities

- Burns Arena (Basketball) seats 4,779 people and was built in 1986. It is one of the ﬁnest venues in DII and has already hosted a nationally televised game on 1/3/09 on CBS TV
- Hansen Stadium (Football & Soccer) seats nearly 5,000 people and was built in 1983. The ﬁeld turf was installed in 2004.
- Hurst Field (Baseball) seats nearly 2,200 people, was built in 1995, and is known as one of the collegiate facilities in the West. Hurst Field is also the summer home of the St. George Roadrunners professional baseball club.
- Old Gym (Volleyball) seats nearly 1,000 people and was built in 1956. It was home to the basketball team until 1985.
- Karl Brooks Field (Softball) seats 250 people and was built in 1992 in a joint venture with St. George City. In 2007 a state of the art clubhouse was built kind donations from many people with the community.
- Green Valley Spa (Tennis) The world-renowned spa is home to the Vic Braden Tennis School, which kindly allows the DSC Tennis teams to call their courts home.
- Sunbrook Golf Course (Golf) This 27-hole course is home to the men’s golf team.

LIBRARY

Dean / Director: Daphne Selbert  
Circulation Desk: (435) 652-7714
Reference Desk: (435) 634-2081
Special Collections: (435) 634-2087
Website: http://library.dixie.edu

The Val A. Browning Library at Dixie State College of Utah is “Information Central” for students, faculty, and staff. In its building on campus and with its presence through the Information Portal on the Web (http://library.dixie.edu), the Library provides comfortable access to information resources for the campus community.

The three-story library building houses over 100,000 print items, over 10,000 audiovisual titles, and almost 200 print periodicals (magazines, journals and newspapers). Materials are primarily selected to support DSC associate and baccalaureate degree programs, but the Library also has a collection of recreational reading materials. These include a strong collection of DVDs and video recordings, music CDs, and audio books in CD and cassette formats. There is also an extensive collection of juvenile material and a Curriculum Collection that support students in the Education program. The Special Collections area on the second ﬂoor features rare books, local histories, material on Utah’s Dixie, the Arizona Strip, the Big Muddy Region of Nevada and Dixie State College archival materials (including old yearbooks), and a unique collection of Oral Histories.

The building is an information home for the campus, with comfortable furniture, an information commons with 50 computers located near the reference desk, a computer lab located in the basement, a special collaborative learning area, group study rooms, areas for quiet study, and leisure furniture for more relaxed study. Reference librarians are available to support research and information needs. Circulation staff assist library users in checking out materials and assist with materials on Course Reserve. The library is open more than 90 hours each week during the fall and spring semesters. Hours are posted on the library website: http://library.dixie.edu. Materials may be checked out using a DSC student ID card or special community borrower card.

The Library’s online access is available 24 hours a day. Through the Library homepage, users have access to the Library catalog. In addition to listing the print materials in the collection, the catalog provides access to more than 50,000 titles in the Library’s e-book collections. There are also almost 100 online databases that provide access to articles in more than 25,000 periodicals (journals, newspapers, magazines), and
numerous online subject encyclopedias and reference sources. If students, faculty, and staff are unable to find material in the Library’s print or online collections, they may request materials through ILLIAD, the online interlibrary loan system.

**Library Hours (Fall and Spring Semester)**
Monday – Thursday  7:30 a.m. – 11:45 p.m.
Friday 7:30 a.m. – 6:45 p.m.
Saturday 12:00 p.m. – 6:45 p.m.
Sunday 3:00 p.m. – 9:45 p.m.

[Summer and break hours are posted on the library web page]

Special Collections: Open by appointment

**LIB 1010: Information Literacy**
The Library supports an online one-credit course required of all students in degree programs. The purpose of the course is to provide information literacy skills and knowledge that will support student needs for information access, and evaluation of information and effective use of information to meet their research and academic needs. Students access the course through Blackboard Vista, the campus online course management system.

There is no required orientation program for LIB 1010, but librarians at the Reference Desk are available to assist students in getting started in the course and who can answer questions at any stage in the course. The course consists of 8 modules with scheduled deadlines for completion, and a final exam. It may be completed as quickly as the student progresses through the material, but students must meet deadlines for assigned modules. The syllabus is posted on the Library Home page.

The Multicultural/Diversity Center (MCDC) is a student support service established to increase cultural diversity at Dixie State College via the recruitment and retention of students from diverse backgrounds and the enrichment of campus life through cultural and awareness activities. The MCDC accomplishes this goal through scholarship opportunities, community outreach, academic advisement, and cultural club participation.

The MCDC operates under the principle that every person’s unique life experiences enrich campus life and add a profound element to a true education. We invite ALL DSC students to participate in the MCDC events, to promote diversity and to celebrate their own cultural identities as well as those of others. Again, the MCDC is open to all students, while we particularly focus on supporting DSC multicultural students.

Please take your time to explore our Website, and feel free to contact us with any questions, concerns or suggestions. We also invite you to stop by the MCDC to further see how we can be of benefit to you.

Cell phones: (435) 619-1144 or (435) 652-1145
For Emergencies: Call 911
All motor vehicles parked on the DSC campus must:

- Be duly and properly licensed
- Bear a valid DSC parking permit.

To purchase a student parking permit (valid July 1 – June 30):

1. Bring license plate number to Cashier’s Office (2nd floor SSC)
2. Pay $20 for each permit.

There are more than 2,160 total "general parking" stalls available to students, faculty, and staff on campus. They are designated by white pavement striping. Vehicles without a valid DSC parking sticker will be issued citations.

In addition, there 325 reserved faculty/staff parking stalls. These "reserved parking" stalls are indicated by freestanding signs and/or yellow pavement striping. Many of these reserved areas will also be designated by a horizontal yellow stripe at the top of the stall (meaning that an individual would be required to drive over the line in order to enter that particular parking space). Vehicles without a valid DSC faculty/staff parking sticker will be issued citations.

There are also 99 handicap and disabled persons parking stalls will be marked by the typical insignias. Vehicles must display a clearly visible valid handicap insignia.

Other reserved areas are fire lanes, motorcycle parking stalls, drive-lanes (individually marked or not), and sidewalk access ramps. Each of these areas carry separate fines for violations. Citations may also be issued for parking or driving on a sidewalk or lawn.

**Frequently Asked Questions**

*Why do we have to have parking permits?*

It helps us to distinguish between Faculty and Staff, students, and Visitors. Window permits allows us to enforce the reserved areas and keep them open for those who need them. They also allow us to identify individual vehicles for the purpose of providing security to those on campus as well as to provide courtesy services. After printing and shipping, all revenue from the cost of the permit is used to augment the cost of maintenance, control, and enforcement of parking rules.

*What happens if I get a ticket and don't pay it?*

Each citation is entered into a computer database that tracks them and from they don't just go away. If a citation is not cleared by payment or appeal within 10 calendar days of issue a $20 late fee will automatically be attached. If the citation is not cleared within 14 days after the end of a semester, they go to a delinquent fines list. Any further registration attempts by the student will be blocked, and transcripts will be held in suspension until all fines are paid in full. If the owner/driver of a vehicle is not a student, the citation may be reissued as a St. George Police Department citation. Do not let a parking or traffic citation go unanswered: later consequences are far greater than initial sanctions.

*How do I appeal a citation?*

The first step in appealing a citation is to make contact with the director of campus security/police. You will need to appear in person at the service window of the security office located at 300 South 800 East, and you will need to have the citation with you at that time. If the appeal is valid, the director may reduce the fine. If that appeal is denied, you have the right to appeal the director's decision by requesting a hearing with the parking board in writing, no less than 10 days after your meeting with the director. You will be allowed to state your appeal in person at this time and the decision of the board will be final.

The Dixie State College Regional Peace Officer Standards and Training Academy (also known as the Police Academy) offers Special Function Officer (SFO or Cat I) training and Law Enforcement Officer (LEO or Cat II) training. The SFO training is approximately 12 weeks in length, and the LEO training is approximately 24 weeks in length. SFO is a prerequisite to LEO. Through the direction of the Council of Peace Officer Standards and Training and a local advisory board, our mission is to provide professional standards and training for peace officers.

The classes are held from 6:00 P.M. to 10:00 P.M. Monday thru Friday at the Hurricane Education Center. Instructors include local law enforcement officers, attorneys, and educators.

**NOTE:** The DSC Regional Academy does not offer the Emergency Vehicle Operations Training. After a student graduates and is employed by an agency, they will need to attend the Utah POST EVO. Please inform any potential employers of this. It will be the student’s responsibility to inform employers and potential employers of this. You cannot be certified until you have completed the EVO.
Special Function Officer (SFO) Training
The SFO training curriculum provides training for certification as a Special Function Officer/Auxiliary Officer. Positions requiring SFO training include constables, auxiliary officers, bailiffs, reserve officers, and other special function officers.

Law Enforcement officer (LEO) Training
The SFO training curriculum (above) is a prerequisite to the LEO training. The LEO training curriculum provides the remaining training necessary for certification of a peace officer with full police powers. Positions requiring both levels of training include police officers, highway patrol troopers, and deputy sheriffs with full police powers.

Schedule & Admissions
Special Function Officer classes will start the second Monday of each January. Law Enforcement Officer classes will start the second Monday of each April. Applications will be accepted starting August 15 and ending December 7. Applications are due four (4) weeks before the beginning of each session. Financial aid is not available.

Cross-Enrollment Agreement
DSC offers ROTC through a cross enrollment agreement with Brigham Young University (BYU). The Military Science courses are taught at DSC. Compliance with BYU standards, as listed in the current BYU catalog, is an obligation while participating in ROTC activities and at all times on both DSC and BYU campus. Military Science (Army ROTC) is given below. More detailed information is available in the appropriate BYU catalog listing.

General Information
The ROTC program is designed to produce highly qualified commissioned officers for the U.S. Army, Army Reserve, and Army National Guard. The traditional ROTC program extends over four years of college and consists of two phases: A two-year basic course during the freshman and sophomore years, and a two-year advanced course covering the junior and senior years of college.

To receive a commission as a second lieutenant in the U.S. Army, Army Reserve, or Army National Guard, students must earn a baccalaureate degree prior to age 30. An exception will be made for prior service, which may extend the age limit to 34. Students must be citizens of the United States to be commissioned. Physical and academic standards for the basic course are the same as for those of all ROTC programs nationwide. To qualify for the advanced program, students must pass a mental and physical examination during the year preceding entry into the advanced course. At the beginning of the fall semester of their junior year students are sworn in and sign an agreement to complete the last two years of ROTC and to serve on reserve or active duty upon graduation. Students incur no military obligation prior to joining the military (contracting).

Program of Instruction
The ROTC program is designed to complement the civilian goal of acquiring a baccalaureate degree in a personal course of study while enabling students to develop the knowledge, skills, and abilities for transition into the United States Armed Forces upon commissioning and to fulfill a military obligation as a reserve or active duty officer. Students do not “major” in Military Science but may receive a “minor” in these areas upon their request and depending upon the requirements of the college or university from which the students received their baccalaureate degree. ROTC military and leadership training provides ROTC graduates with many special skills and experiences which will enable them to compete as leaders in the military and/or business, civic, and community affairs.

Scholarships
ROTC offers many two, three, and four-year scholarships for which students may compete, awarded on merit. The scholarships pay full tuition, textbook costs, lab, and other required college fees, related education expenses such as classroom materials, and a $350-500 per month subsistence allowance. These scholarships are among the finest scholarships offered and can be used at hundreds of other universities and colleges across the United States for students to complete their baccalaureate training at a four-year school. ROTC scholarships are offered on a competitive basis and applications must be submitted through Army ROTC Detachments. In most cases, deadline for scholarship applications is January of the year prior to enrollment; however, it is suggested that interested parties check with specific ROTC departments since in certain instances deadlines may vary. ROTC scholarships are not affected by other grants, loans, or VEAP. To be eligible for a scholarship, a student must be eligible to receive a baccalaureate degree by his or her 30th birthday, be a U.S. Citizen, be at least age 17 at the time the
scholarship is to be used, and be willing to serve on active duty for a period of four years if a scholarship is utilized by a student. There are also Reserve Component Scholarships awarded each year for National Guard and Reserve duty.

**ROTC (Army)**
A five-week Advanced Leadership Course is required in the summer between the junior and senior years. All Army ROTC students are required to attend a leadership laboratory for two and one-half hours each week. Practical experience in leadership applications such as small unit tactics, rappelling, weapons familiarization, etc., is emphasized during laboratory periods. Cadets are also required to participate in scheduled morning fitness training.

**Notes:**
1. Contracted Army ROTC Cadets must also satisfy the leadership laboratory and physical fitness terms of their contract in order to be commissioned officers in the US Army.
2. An approved course in History is also required to commission. (See ROTC staff for list of eligible History courses).

Student activities are an integral part of the overall educational program at Dixie State College. Student officers and faculty advisors strive to organize activities that will meet the physical, social, mental, and emotional needs of students. DSCSA Executive Council members, who are elected during Spring Semester to serve during the following year, are an important part of college governance.

**Clubs & Organizations**
Recognizing the value of extracurricular and co-curricular life in student development, DSC encourages active participation in the many and varied student clubs and organizations on campus. Student clubs and organization fulfill many purposes and individual needs, including cultural, intellectual, professional, recreational, service, and social. Representatives from the clubs and organizations recruit students on the upper Encampment Mall diagonal sidewalk (between the Gardner and McDonald Centers) during the first week of Fall and Spring Semesters. Sign up there to be part of a great college experience, or contact the Student Involvement Director or a DSCSA Executive Council member for more information.

Computers and technology are a necessary part of today’s learning environment. Students need extra support for the growing digital world, and the ever growing and changing educational technologies requirements placed upon them.
The DSC Student Support Helpdesk provides a necessary service to students that will help keep them up-to-date with the ever-changing IT services on the DSC campus. It also provides an important role in student retention by adding a valuable service that will show that DSC is dedicated to assisting our students so they can succeed. The Helpdesk is supported through the Media Technology Group: Jared Johnson, Dave Mortensen and Richard Robbins. Our goal is making technology work for students, not students trying to make technology work!

Services provided to students:

- **Blackboard Vista** – Answer all student inquiries and help troubleshoot computer issues.
- **Dmail** – Account access and creation problems.
- **Campus Wireless Access** – Assist in connecting various mobile devices to the RedStorm wireless network.
- **Laptop Assistance** – Help in installing programs, removing viruses and general troubleshooting.
- **Lease Laptop Repair** – Repair and checkout Dell Leases Laptops to those students participating in the DSC lease program.
- **Online Course Support** – Troubleshoot computer problems associated with the online course tools (i.e. Wimba, Safe Assign, Mediasite, etc.).
- **Live Chat Support** – Live Wimba chat room to assist students via chat or through remote desktop.
- **Helpdesk Website** – The Helpdesk Website is a student resource to tutorials, FAQs, and other troubleshooting materials.

  - Praxis
  - Prometric
  - PSB
  - SAT
  - TEAS IV
  - TEAS V
  - USOE High School Test-Out Credit
  - Utah Electronic High School
  - Western Governor’s University

1. All DSC classroom tests are free.
2. To take a DSC classroom test, the student will need to know the TEACHER’S NAME and CLASS SUBJECT.
3. The student must have a DSC ID card and/or driver’s License plus a DSC Student # and/or SS#. One must be a PICTURE ID.
4. If a Scantron is needed for the test, the student will need to provide one. We also sell them for $.30 each.
5. If the student is taking a test with a fee involved, we take a check or cash at the Testing Center. If they wish to use a credit card, they may do so at the Cashier’s Office, then bring us the receipt they are issued. The Cashier's Office has the cost of each test.
6. When the student is checked in, s/he needs to put all belongings in a red bag located on the table by the entrance. The student takes this bag into the testing room and places in nearby or under the assigned desk. All cell phones must be turned off and placed in a small blue bag near other belongings.
7. The student will be given a seat or computer number. We keep the student’s ID and return it when the seat card or computer card number is returned.

8. The Testing Center is generally open seven days a week. However, hours may differ between semesters, during Summer Semester, and on holiday weekends.

9. Please refer to www.dixie.edu/testcenter for a complete listing and detailed description of all specialized assessments offered by Testing Services.

The purpose of the program is to direct students to completion of a bachelor’s degree. Students from Desert Hills High School, Dixie High School, Enterprise High School, Hurricane High School, Pine View High School and Snow Canyon High School participate in the program.
TUTORING CENTER

Location: Browning Building (Ground Floor)
Coordinator: Barbara Turnbow
Office: 108 Browning Building
Email: turnbow@dixie.edu
Phone: (435) 652-7743
Website: http://new.dixie.edu/tutoring/

Dixie State College sponsors several types of learning assistance services that benefit many Dixie State students. Tutoring is one of the most widely used of these services.

Who can receive tutoring?
All registered, degree-seeking Dixie State College students have access to some form of tutoring.

What can tutoring do for me?
A tutor can assist you in clarifying concepts and class material and in improving your study skills.

How much does tutoring cost?
It's FREE for all registered, degree-seeking Dixie State students!

Where is the Tutoring Center?
The Tutoring Center is located in the Browning Resource Center (downstairs from the Testing Center).

When is the Tutoring Center open?
FREE Drop-In Tutoring is available to all registered Dixie State College students who are seeking assistance in select general education courses, including various Math and Science courses.

Monday – Thursday 9:00 a.m. – 8:00 p.m.
Friday 9:00 a.m. – 5:00 p.m.
Saturday – contact Tutoring Center for exact schedule

NOTE: Tutoring services for certain subjects depend on demand, budgetary constraints, and tutor availability.

Why is Drop-In Tutoring useful?
Drop-In Tutoring allows students to work on assignments independently while having the opportunity to have tutor assistance when needed. Drop-In Tutoring also encourages the formation of study groups because students will often make contact with other students in the same subject area. Finally, it allows students the flexibility to come in at their convenience during posted hours instead of keeping set appointments with a tutor.

How do I sign up for Drop-In Tutoring?
The first time you enter the Tutoring center, you will need to enter your DSC Identification number, along with your name, phone number, and e-mail address. Thereafter, only a DSC ID is required.

How does Drop-In Tutoring work?
First, stop by the Tutoring Center and view the Drop-In Tutoring Schedule. This schedule will let you know when a tutor is available for your particular subject. Then, pick a time that is convenient for you and come on in!

What can I expect from Drop-In Tutoring?
When you come in for Drop-In Tutoring, you will sign in on the computer and have a seat at one of the tables in the Tutoring Center. The tutors will circulate through the Center, answering student questions as they arise. Please be patient. Tutors address questions on a first-come, first-served basis, but there is always time to address everyone's questions.

Can I be a tutor?
The Tutoring Center is looking for students to tutor Math 0900 - 3310 and some Science courses.
• If you are/were a college student, you must have taken the class(es) that you wish to tutor, and you must have received a grade of A or A-.
• Have a cumulative GPA of 3.0.
• Be willing to work at least 5-10 hours each week.
• Be very personable, patient, and professional.
• Possess strong communication skills.
• Be available and willing to keep yourself and students on task while in the Tutoring Center.
• Contact Tutoring center Coordinator (listed above).

WRITING CENTER

Director: Chelsi Sutton
Location: Browning Building (Ground Floor)
Office: 112A Browning Bldg.
Email: sutton@dixie.edu
Phone: (435) 652-7868
Online Writing Lab: owl@dixie.edu

The Dixie State College Writing Center is located on the first floor of the Browning Learning Resource Center. Our services are free to DSC students, and our mission is to help you become a better writer by approaching your assignments as a process of invention, writing, and revision.

The Writing Center is staffed by peer tutors who offer suggestions, instruction, and tips to help you improve your individual skills. Please keep in mind that the Writing Center is not a proofreading service. We focus on helping you become a better writer rather than helping you correct every single mistake in an essay. Tutors give basic suggestions for improvement and teach you to review your own papers. We will do our best to help you improve your writing skills, but responsibility for generating a perfectly written, error-free paper lies solely with you.

While face-to-face sessions are most effective, we also offer an Online Writing Lab (OWL), which can be accessed at owl@dixie.edu. You may e-mail your paper as an attachment to this site; tutors review the paper and return it to you via e-mail. If you use this service, allow a few days for your paper to be reviewed. For example, if a paper is due on Friday, you should not wait until Thursday night to submit the paper to the Writing Center.

We look forward to helping you at the Writing Center; please let us know how we can improve our service to you and to Dixie State College. For more information, contact the Writing Center Director.
